

Your Best Gifts Make a Difference

Planting Seeds of Hope

"And when we take your gifts to those who need them, they will thank God."

— 2 CORINTHIANS 9:11

.....

A handful of seeds. A few simple tools. A garden full of possibilities.

For families facing food insecurity, a garden can provide fresh, nutritious food and an opportunity to earn income by selling what they grow.

Through CWS Best Gift, your gift of \$50 provides a Garden Starter Kit with seeds and tools to help a family start growing their own food.

And the benefits reach far beyond the first harvest. With each growing season, families can put more food on the table, share with their neighbors and build a more secure future.

This Christmas, your generosity can plant the seeds of hope, nourishment and opportunity for a family. And it all starts with your gift.
