

*Eggs today.
Opportunity
tomorrow.*

THREE CHICKENS

In rural communities, chickens are more than barnyard birds—they're hope in feathers. Because of generous donors, families receive a steady supply of protein-rich eggs to nourish children and a way to earn income through local markets. That means fewer empty plates, more shared meals and kids who can stay in school. It's a daily difference-maker—and a gift that grows with time.

*A night of rest.
A little peace.*

SAFE SHELTER FOR A FAMILY FOR ONE NIGHT

This gift provides one night of emergency shelter for a family facing displacement or hardship. It's a warm bed, a roof overhead and a moment of peace in the middle of uncertainty.
